9. ORDINANCES & RESOLUTIONS
10. REPORTS OF OFFICERS AND COMMITTEES
  - a. Mayor & Council
  - b. City Staff
  - c. Contract Staff
11. NEW BUSINESS & COMMUNICATIONS
12. CLAIMS FOR PAYMENT
  - a. August 19, 2019 Claims
13. UPCOMING MEETINGS & TRAINING
  - a. August 28 – LMCD Work Session at 6:00 PM with Regular Meeting at 7:00 PM
  - b. September 3 (Tuesday) – Regular City Council Meeting – 7:00 PM
14. MISCELLANEOUS (INFORMATION ONLY)
  - a. Mound Fire Department July Report
15. ADJOURNMENT

---

\* The Consent Agenda lists those items of business which are considered to be routine, recommended for approval, and/or which need no discussion. The several separate items listed on the Consent Agenda are acted upon by one motion. There will be no separate discussion of these items unless a Council Member makes a request, in which event the item will be removed from the Consent Agenda and placed elsewhere on the regular agenda for Council discussion and action.

\*\* Under Public Forum individuals may address the City Council about any item not contained on the regular agenda. Each speaker should keep their statements to three minutes to allow sufficient time for others. The Council will take no official action on items discussed at the forum, with the exception of referral to staff for future report.

CITY OF SPRING PARK  
CITY COUNCIL MINUTES  
AUGUST 5, 2019 – 7:00 PM  
SPRING PARK CITY HALL

1. CALL TO ORDER - The meeting was called to order by Mayor Rockvam at 7:00 p.m.

Council Members Present: Jerome P. Rockvam, Mayor; Gary Hughes; Pamela Horton; Catherine Kane Palen; and Megan Pavot

Staff Present: Dan Tolsma, City Administrator; and Theresa Schyma, City Clerk

2. PLEDGE OF ALLEGIANCE – Mayor Rockvam led the audience in the Pledge of Allegiance.

3. ADOPT MEETING AGENDA

M/Hughes, S/Horton to adopt the meeting agenda.

Motion carried 5-0.

4. ADOPT CONSENT AGENDA

- a. City Council Work Session Meeting Minutes from July 15, 2019
- b. Regular City Council Meeting Minutes from July 15, 2019

M/Pavot, S/Kane Palen to adopt the Consent Agenda.

Motion carried 5-0.

5. PUBLIC FORUM – None.

6. PRESENTATIONS & GUEST SPEAKERS – None.

7. PUBLIC HEARINGS – None.

8. PETITIONS, REQUESTS, & APPLICATIONS

- a. Gambling Permit Application: Northwest Tonka Lions – Resolution 19-13

City Administrator Tolsma presented a summary of the proposed resolution to allow the Northwest Tonka Lions Club to conduct lawful gambling at Lord Fletcher’s Old Lake Lodge, 3746 Sunset Drive.

Jason Zattler, Member of Northwest Tonka Lions Club, was available for questions. He provided details about the proposed lawful gambling at Lord Fletcher’s and also examples of how the funds are distributed to local organizations.

M/Pavot, S/Hughes that the following resolution be adopted and that it be made part of these minutes:

RESOLUTION NO. 19-13

RESOLUTION APPROVING MINNESOTA PREMISES PERMIT FOR LAWFUL GAMBLING FOR NORTHWEST TONKA LIONS, LOCATED AT LORD FLETCHER'S OLD LAKE LODGE, 3746 SUNSET DRIVE, SPRING PARK, MINNESOTA

Motion carried 5-0. This resolution appears as Resolution No. 19-13.

9. ORDINANCES & RESOLUTIONS – None.

10. REPORTS OF OFFICERS AND COMMITTEES

a. Mayor & Council

Council Member Hughes provided an update from the most recent Fire Commission meeting. He discussed the budget, fire call numbers, and the proposed cleanup of a former missile site in Watertown that later became the Western Area Fire Training Academy (WAFTA).

Council Member Kane Palen announced her resignation from the City Council effective September 19, 2019 due to relocating outside the city limits. She added that she will miss the Council and the City of Spring Park.

The Council thanked Council Member Kane Palen for being a great asset to the City.

b. City Staff

City Administrator Tolsma provided renderings to the Council for the sign and landscape updates at City Hall. He stated that staff are waiting for the final proposal from Norling's. He discussed the potential timeline; he believes the improvements should be in place by the end of 2019.

The Council consensus was that they were in favor of the updated design for the City Hall sign area.

c. Contract Staff – None.

11. NEW BUSINESS & COMMUNICATIONS – None.

12. CLAIMS FOR PAYMENT

a. August 5, 2019 Claims

M/Kane Palen, S/Hughes to approve all claims for payment.

Motion carried 5-0.

13. UPCOMING MEETINGS & TRAINING

a. August 8 – LMCC – 7:00 PM

b. August 13 – Administration Committee – 12:00 PM

c. August 14 – LMCD Work Session at 6:00 PM with Regular Meeting at 7:00 PM

- d. August 14 – Planning Commission – 6:00 PM
- e. August 19 – City Council Work Session – 6:00 PM
- f. August 19 – Regular City Council Meeting – 7:00 PM

14. MISCELLANEOUS (INFORMATION ONLY)

- a. PeopleService June Report
- b. Mound Fire Department Commission Packet Excerpt

Mayor Rockvam reiterated his belief that there needs to be an interim solution for pedestrian safety on Sunset Drive before the future County projects are scheduled. He requested that staff work with the County to see if anything can be put in place before the street is redone. He stated that his fear is that it will take a pedestrian accident before any safety features are installed.

15. ADJOURNMENT

M/Hughes, S/Horton to adjourn the City Council Meeting at 7:32 p.m.

Motion carried 5-0.

Date Approved: August 19, 2019

---

Dan Tolsma, City Administrator

---

Theresa Schyma, City Clerk

**CITY OF SPRING PARK  
HENNEPIN COUNTY, MINNESOTA**

**RESOLUTION NO. 19-14**

**RESOLUTION APPROVING THE CITY OF SPRING PARK  
LOCAL WATER MANAGEMENT PLAN**

**WHEREAS**, a stake holder comment period was conducted and all comments were addressed; and

**WHEREAS**, the City of Spring Park is committed to protecting its water resources through prudent planning and implementation of modern rules; and

**WHEREAS**, all complete planning applications submitted after the approval must comply with the rules and standards laid out in the Local Water Management Plan.

**NOW, THEREFORE, BE IT RESOLVED** that the City Council of the City of Spring Park approve of the Spring Park Local Water Management Plan.

ADOPTED by the City Council of the City of Spring Park this 19th day of August, 2019.

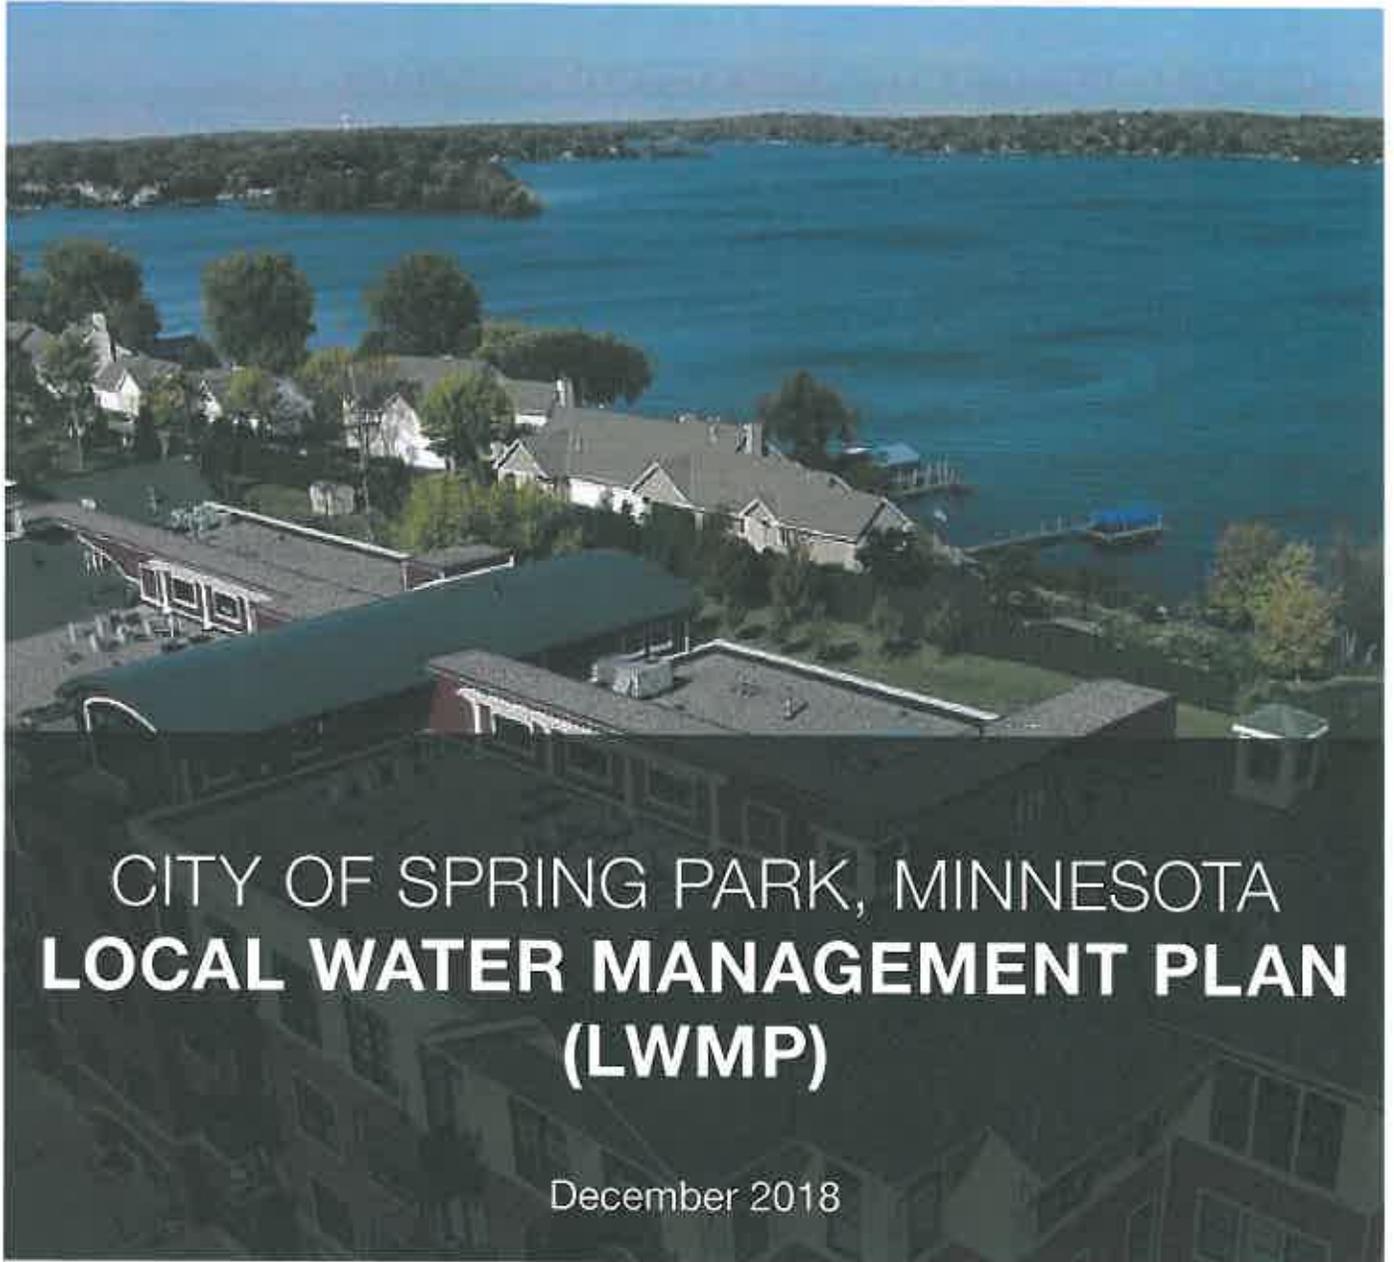

CITY OF SPRING PARK

Approved:

\_\_\_\_\_  
Jerome P. Rockvam, Mayor

Attest:

\_\_\_\_\_  
Theresa Schyma, City Clerk

# CITY OF SPRING PARK, MINNESOTA LOCAL WATER MANAGEMENT PLAN (LWMP)

December 2018

## **SECTION I – INTRODUCTION AND EXECUTIVE SUMMARY**

### **A. Introduction**

The City of Spring Park has prepared this Local Water Management Plan (LWMP) in accordance with MN Statute 103B.235 for Local Water Management Plans. This LWMP provides the City and its residents with direction concerning the administration and implementation of water management activities within the community. The LWMP inventories City land and water resources and presents water management policies and goals, which address both known surface water-related problems and concerns about future development activities. The LWMP also presents the information needed to comply with the requirements of the federal, state and regional regulatory agencies involved in surface water management.

**A.1 Policy Statement:** The City of Spring Park is committed to a goal of no adverse impact or non-degradation for the area surface and ground waters. To accomplish this goal the City will demonstrate through the LWMP:

- Performance measures for all proposed stormwater treatment devices.
- Proposed plans and projects that will require stormwater management rate control, volume control and erosion control Best Management Practice (BMP protection) measures that will require City and Minnehaha Creek Watershed District (MCWD) permitting approval prior to construction.
- Performing proper maintenance for Public Works activities such as street sweeping, clean-up of City parkland, and manhole sump cleaning.
- Public education on water resource management.
- Construction site inspection and enforcement of stormwater BMPs.
- Providing necessary funds to implement the stormwater management plan.
- Implementation of a phosphorus loading reduction plan to help protect and preserve the Lake Minnetonka water resources.

**A.2.** To adopt by reference the Minnehaha Creek Watershed District's (MCWD) "Watershed Management Plan", Rules and Regulations as part of Spring Park's "Surface Water Management Plan" and to provide the localized information necessary to supplement the District's plan.

- A.3** To authorize the MCWD to continue to apply all of its permitting rules and regulations in the City of Spring Park including but not limited to: Erosion Control, Floodplain Alteration, Wetland Protection, Dredging, Shoreline and Streambank Stabilization, Waterbody Crossings and Structures, Stormwater Management, Sandblanket Installation, Enforcement, Variances and Exceptions, Fees, and Financial Assurances.
- A.4** To authorize the MCWD to be the “local unit of government” responsible for implementing the Minnesota Wetlands Conservation Act within the City of Spring Park.
- A.5** To adopt by reference the 2040 City of Spring Park Comprehensive Plan.

**B. Purpose**

The general purpose and objectives of the City of Spring Park LWMP are as follows:

- B.1** Promote infiltration of stormwater where feasible to improve water quality, reduce flow volumes, and increase ground water recharge.
- B.2** Promote activities that maintain, support, and enhance the quantity and ecological integrity of aquatic and upland resources.
- B.3** Preserve, maintain, and improve aesthetic, physical, chemical, and biological composition of the Lake Minnetonka resource.
- B.4** Minimize the risks of threats to public health through the development of programs, plans, and policies that preserve the quality of surface and ground waters.
- B.5** Preserve the natural appearance of shorelines and minimize degradation of shorelines and water quality resulting from dredging operations.
- B.6** Promote Best Management Practices (BMPs) to improve water quality.
- B.7** Enhance public participation and knowledge by providing informational and educational material to the residents, businesses, developers, and contractors.
- B.8** Preserve, create, and enhance wetland resources to maximize benefits and functionality to the City and Lake Minnetonka.
- B.9** Promote aquifer protection.
- B.10** Protect and preserve the Lake Minnetonka floodplain.

- B.11** Control temporary sources of sediment resulting from land disturbance, minimize and correct the effects of sedimentation from erosion prone and sediment source areas.
- B.12** Promote effective planning to minimize the impact of development and land use change on Spring Park's water resources.
- B.13** Solicit public input with the intent that water resource policies, projects and programs will address the local values and goals. Strive to manage and make water resource decisions based on an educated public.

### **C. Regulatory Requirements**

In 1982, the Minnesota Legislature adopted The Metropolitan Surface Water Management Act requiring all watersheds within the Twin Cities seven county metropolitan area to be incorporated into Watershed Districts and Watershed Management Organizations and the preparation and adoption of watershed management plans by each. The Act also requires that Local Governmental Units prepare Local Water Management Plans which include the official controls and capital improvements necessary to bring each local surface water management into conformance with its respective Watershed District or WMO plan.

The City of Spring Park is located within the Minnehaha Creek Watershed District and also within the Lake Minnetonka sub-watershed basin. The City of Spring Park LWMP is intended to meet the requirements of the following regulatory documents:

- C.1** Minnehaha Creek Watershed District (MCWD) "Watershed Management Plan" and "Permitting Rules and Regulations";

The MCWD maintains a regulatory program requiring development and redevelopment projects to treat and control the rate of stormwater discharge through the use of BMPs. Projects must apply for and obtain MCWD permits prior to the start of construction. Detailed information and permits can be found online at the MCWD's website: [www.minnehahacreek.org](http://www.minnehahacreek.org).

- C.2** Metropolitan Surface Water Management Act - Minnesota Statutes Chapter 103B;
- C.3** Metropolitan Area Local Water Management - Minnesota Rules Chapter 8410;
- C.4** Minnesota Wetland Conservation Act of 1991 and subsequent rules and amendments;

- C.5** State and Federal laws pertaining to National Pollution Discharge Elimination System (NPDES);

The MPCA requires the submittal of an NPDES permit by the City of Spring Park. This is to limit the discharge of pollutants in stormwater runoff as well as permits authorization of stormwater discharge from the MS4. Through the MPCA a Storm Water Pollution Prevention Plan (SWPPP) is required. The SWPPP provides practices for meeting the requirements of the NPDES permit.

- C.6** (NPDES) permitting for stormwater outfalls to designated drainage ways;

- C.7** Erosion Control Guidelines and Best Management Practices prepared by the Minnesota Pollution Control Agency;

The MPCA administers multiple NPDES permit programs, including stormwater and MS4. The MPCA also oversees Minnesota's impaired waters and facilitates TMDL plans and reports. The MPCA enforces laws regarding pollution of Minnesota's water. Section 401 certification is required to receive federal permits for any activity that results in discharges to navigable waters in the United States. Applications, NPDES permits and SWPPP information can be found online on their website: [www.pca.state.mn.us](http://www.pca.state.mn.us).

- C.8** Regulations of the Lake Minnetonka Conservation District.

- C.9** State Shoreland Management Law

**D. Water Resource Management Related Agreements**

- D.1** MCWD "Memorandum of Understanding": The City of Spring Park currently has a "Memorandum of Understanding" with the MCWD. The terms of the agreement is the understanding that the City of Spring Park agrees to authorize the MCWD permitting authority in all areas regulated by the District and all City stormwater management controls are as protective as the District's.

- D.2** Lake Minnetonka Conservation District: The City of Spring Park is a participating City member of the Lake Minnetonka Conservation District. Spring Park has an appointed representative who reports monthly to the City Council.

## **E. Executive Summary of Local Water Management Plan Content**

The City of Spring Park's LWMP has been developed to meet the needs of the community and address the management planning requirements of the Metropolitan Surface Water Management Act and MCWD Watershed Management Plan. The LWMP has been prepared in general accordance with Minnesota Rules Chapter 8410 and follows the plan outline identified in the rules.

The following summaries identify the major sections of the LWMP and where information can be located in the plan document:

### **E.1 Section I - Executive Summary:**

This section presents an introduction for, and summary of, all of the sections of the Surface Water Management Plan. This section also summarizes strategic recommendations for consideration by the City in implementing the LWMP.

### **E.2 Section II - Land and Water Resource Inventory:**

This section categorizes a wide range of information under the subsections entitled Physical Environment, Human Environment and Surface Water System. The sub-sections provide information and references regarding water resources and physical factors within the City of Spring Park including the following:

- Location
- Precipitation data for hydrologic/hydraulic review and design
- Geologic and topographic information
- Surface soils and groundwater information
- Land Erosion (Runoff) Susceptibility
- Unique features and scenic areas
- Land use and public utility services
- Water-based recreational areas and land ownership
- Potential pollutant sources
- Public waters and wetlands
- Flood Insurance Studies and surface water drainage information

- City sub-watersheds and storm water modeling data, limitations and results
- Flood problem areas and surface water quality

### **E.3 Section III – Establishment of Policies and Goals:**

This section outlines goals and policies addressing specific water resource management needs of the City and their relationship with the MCWD, Regional, State, and Federal goals and programs. Goals and policies relating to the following issues are presented:

- Water quantity
- Water quality
- Erosion and sedimentation
- Wetlands
- Groundwater
- Recreation, fish and wildlife
- Enhancement of public participation

### **E.4 Section IV - Assessment of Problems and Corrective Actions**

This section provides an assessment of existing or potential water resource related problems within the City. This section also describes potential structural, nonstructural and programmatic solutions on corrective actions to the identified problems.

### **E.5 Section V – Implementation Program**

This section identifies the regulatory controls, management programs, storm water design and performance standards, and capital improvements to be utilized by the City in implementing this LWMP.

### **E.6 Section VI – Implementation Priorities and Financial Considerations**

This section presents improvement priorities and financial considerations that can be reasonably funded and implemented by the City in the near and longer-term future. This section also identifies the estimated costs and potential funding sources for implementing the proposed regulatory controls and programs.

### **E.7 Section VII – Stormwater Management and Erosion Control Standards**

This section addresses stormwater management and erosion control standards the City should adopt and enforce when new development or re-development occurs. Implementation of these standards will help to minimize the impact of stormwater runoff from a site and to receiving downstream waters.

### **E.8 Section VIII – Amendment Procedures**

This section presents the process for making amendments consistent with the future MCWD plan.

## **F. Recommendations**

The following recommendations are presented for the City's consideration based upon the information compiled for this LWMP:

- F.1** To complete an update of the City Ordinance, Codes and Guidelines to be in conformance with MCWD Rules and Regulations for stormwater management, shoreland alterations, floodplain district and wetland district.
- F.2** Confirm and execute all legal agreements determined necessary to assure the partnership between the MCWD and the City of Spring Park.
- F.3** To review the Zoning Development Ordinance from a water resource perspective in order to determine opportunities to enhance water resource protection.
- F.4** The LWMP should be used to guide future water resource management decisions and stormwater related issues in existing and projected urban growth areas.
- F.5** The City should examine existing and potential funding sources available for implementing stormwater regulatory controls and improvements.
- F.6** The City should consider the additional staff time and financial resources required to implement this LWMP and develop additional revenue sources and budget accordingly.
- F.7** To continue water resource educational programs and partner with the MCWD, Lake Minnetonka Conservation District (LMCD), other lakeside communities and other agencies to provide educational opportunities for the community.

- F.8** The LWMP provides a general framework for addressing existing and future surface water management issues within the City. Additional studies may be required when specific development proposals are prepared.
- F.9** The City should consider preparation of a wellhead protection plan as a protection measure for the City's water supply and the regional ground water resource.

## STAFF MEMO

BACK CHANNEL BREWERY  
SPECIAL EVENT – 9/21 & 9/22  
“BEERTHDAY” WEEKEND

1. **BACKGROUND:** Back Channel Brewery is requesting a permit for a multi-day special event to be held on Saturday, September 21<sup>st</sup> and Sunday, September 22<sup>nd</sup> to celebrate the brewery’s two year “beerthday.” The event is scheduled on Saturday from 12 - 9 p.m. and on Sunday from 12 – 7 p.m. and is proposed to include outdoor live music (DJ and acoustic band) during those same hours. The event would also allow for patrons to have alcoholic beverages on the front lawn area and in a portion of the south parking lot; the areas will be barricaded with safety rails and clearly marked.
2. **DISCUSSION:** The requests for outdoor music and alcohol require a special event application and a two-day temporary on-sale license that should be included in the motion if approved by the Council.  
  
A list of draft conditions is attached for Council review. The event organizer will need to coordinate with the Mound Fire Department and the Orono Police Department prior to the event to ensure that all necessary safety precautions have been taken.
3. **FINANCIAL CONSIDERATIONS:** All required fees have been received.
4. **RECOMMENDATION:** Approve Special Event Application No. 19-11 and Temporary On-Sale Liquor License for Back Channel Brewery for a multi-day event on Saturday, September 21 and Sunday, September 22, 2019 with the attached list of conditions.

## APPROVED CONDITIONS

BACK CHANNEL BREWERY  
SPECIAL EVENT – 9/21 & 9/22  
“BEERTHDAY” WEEKEND

---

## SPECIAL EVENT CONDITIONS

1. Event organizer must obtain a two day temporary on-sale liquor license from the Minnesota Department of Alcohol & Gambling Division.
2. Any alcoholic beverages being taken outside of the principal building shall be limited to a defined area that must be demarcated with barriers. At no point shall any alcoholic beverages be allowed outside of the demarcated outdoor area or the principal building.
3. Live music (including music played by a DJ) will be permitted between the hours of 12 p.m. and 9 p.m. on Saturday and between the hours of 12 p.m. and 7 p.m. on Sunday. Additionally, all noise shall comply with section 18-122 of the Spring Park City Code. In the event of legitimate complaints made to the Orono Police Department Back Channel Brewing shall be required to comply with any and all recommendations made by the Orono Police Department to bring the noise levels into compliance.
4. The event organizer must send notice of the event to all properties within 350 feet of the Brewery. The City will provide the event organizer with a list of properties to be notified.
5. Any additional conditions recommended by the Mound Fire Department and the Orono Police Department shall be complied with.
