Other Inspections and Fees

1.	Re-inspection Fee - A re-inspection fee may be assessed for each inspection or re-inspection when such portion of work for which inspection is called is not complete or when corrections called for are not made. On valuation-based building permits, this fee is not to be interpreted as requiring re-inspection fees the first time a job is rejected for failure to comply with the requirements of the code, but as controlling the practice of calling for inspections before the job is ready for such inspection or re-inspection. Re-inspection fees shall also be assessed when: 1) the address of the jobsite is not posted, 2) the inspection record card is not posted or provided at the worksite, 3) the approved plans are not readily available for the inspector, 4) full access to the site is not provided for the inspector, 5) the inspector is not met by the responsible individual (no show), 6) on residential (IRC) maintenance permits where corrections are required to be inspected, and 7) deviations from the approved plans occur without prior building official approval. Re-inspection fees are due on or before the re-inspection. Payment shall be made payable to the Municipality:	\$60 each
