* The Consent Agenda lists those items of business which are considered to be routine, recommended for approval, and/or which need no discussion. The several separate items listed on the Consent Agenda are acted upon by one motion. There will be no separate discussion of these items unless a Council Member makes a request, in which event the item will be removed from the Consent Agenda and placed elsewhere on the regular agenda for Council discussion and action.

** Under Public Comment, individuals may address the City Council about any item not contained on the regular agenda. Each speaker should keep their statements to three minutes to allow sufficient time for others. The Council will take no official action on items discussed at the forum, with the exception of referral to staff for future report.
