SPRING PARK CITY HALL

(Work Session discussion times are approximate)

1. 6:00: Council Vacancy Discussion; Interview Process & Next Steps

The Council decided they would like to interview all 4 candidates. These interviews will take place at the May 6th meeting and directed staff to let the applicants know the next steps.

2. 6:25 Miscellaneous

Mayor Hoffman brought forward the letter from the Orono Police department regarding the LMCD watercraft rental ordinance. Council agreed to support the ordinance for safety reasons as these private owners are not licensed and/or properly insured. Mayor Hoffman suggested the City draft something up using the same narrative as the Orono Police and also send it to Gabe Jabbour and others at the LMCD.

Council Member Horton asked about the docks at Back Channel. Mayor Hoffman advised that the decision to allow additional dock space at that location is up to the LMCD.

Discussion was had regarding the Warren Avenue Project components and cost estimate.

3. 6:30: Adjourn

After no further discussion, Council Member Chase motioned, being seconded by Council Member Horton, to adjourn the work session at 6:20p.m.
