

CITY OF SPRING PARK
WORK SESSION MINUTES
OCTOBER 21, 2024 – 5:00 PM
SPRING PARK CITY HALL

(Work Session discussion times are approximate)

1. 5:00: 2025 Budget (Gillespie Center Funding)
City Administrator Anderson reviewed some budget updates that were made per the last discussion and asked Council if he should include a line item for the Gillespie Center donation. Discussion was had. Council Member Sippel requested that the “Contracted Services” budget line items be renamed to what they are, i.e. police, public works, fire, etc. It was also requested that any items that had previously been broken out between all 3 funds need to be redistributed to the appropriate funds where they belong. The Gillespie Center needs to provide more data and/or rework the allocation formula before we agree to a donation amount. The amount will remain as a budget item but will not be paid out until the amount has been agreed to.
2. 5:15: City Contracts: Essential Services (Fire, PD, PW, Plowing)
City Administrator Anderson provided the essential service contracts to the Council for review of the expiration dates and notice to terminate.
3. 5:40: LMCD Representative Discussion
Council requested to run an ad in the Laker and post the open position in the Fall newsletter.
4. 5:45: Miscellaneous
City Administrator Anderson recapped the benefits for the utility upgrade that was requested at a prior meeting and stated he would bring this forward again. Kirk from Core and Main will present all the benefits at a future meeting.
5. 6:00: Adjourn
There being no further discussion, the work session was adjourned at 5:57p.m.
